# GEALAN INNOVATION MIT SYSTEMS

Our inspiration - to fascinate people!

With the most innovative window systems, surfaces and best in class digital solutions, we set the main trends and form the framework for the world of windows.

The GEALAN group is one of Europe's leading manufacturers of vinyl profiles for windows and doors.

The core components of the GEALAN brand include modern profile systems such as 39, 44, 60 and 64 mm series profiles for both sliding and casement series of profiles. Intensive core insulation and colour with various wood-grain foiling windows.

As an innovative system provider for vinyl window and door profiles, GEALAN also offers its partner companies comprehensive services in the areas of marketing and advertising, architectural consultation and training for window manufacturers and architects.
